

Travis Wu

714-726-0732 | tqwu100@gmail.com | <https://www.linkedin.com/in/traviswu/> | Fountain Valley, California

EDUCATION

University of California, Los Angeles (UCLA) | Los Angeles, CA **Expected Jun 2029**

B.S. in Applied Mathematics, B.S. in Cognitive Science, B.S. in Statistics/Data Science, Minor in Data Science Engineering

- **Relevant Coursework:** Numerical Analysis II, Real & Complex Analysis, Algorithms, Python for Data Science

Fountain Valley High School | Fountain Valley, CA

Sep 2021 - Jun 2025

Salutatorian | GPA: 4.98W (10-12) | 14 AP classes + 34 community college classes taken concurrently

- **Relevant Coursework:** Data Analytics, Advanced Research, C++ Programming, Linear Alg./Diff, Eq., Multivariable

EXPERIENCES

NASA L'SPACE Mission Concept Program | *Planetary Analysis Researcher* | Remote **Sep 2026 - Present**

- Analyze planetary terrain using GIS/mapping tools such as JMARS to evaluate crater distributions, surface elevations, and terrain characteristics across planetary bodies, assessing landing-site feasibility
- Evaluate 30+ geographical and topological datasets to identify the optimal landing-site under budget and risk constraints
- Collaborate with project managers and 20 researchers/engineers to optimize rover design and develop technical deliverables mirroring NASA's mission concept development process

Community Programs Office (CPO) @ UCLA | *Coordinator* (Part-Time Job) | Los Angeles, CA **Aug 2026 - Present**

- Lead a 9-member cohort through weekly 2-hour meetings, using structured agendas and EPGs to keep team aligned
- Provide year-round peer counseling sessions, office hours, and 1-on-1 mentorship that offer students accessible support
- Plan and host events tailored to the transfer population at UCLA, focusing on budget/risk management and venue logistics
- Develop partnerships with clubs/orgs to increase social media impressions, promote events, and increase student turnout rates

South OC Pickleball Community | Pickleball Training Facilitator | Tustin, CA **Jun 2026 - Aug 2026**

- Helped facilitate intermediate live-ball training sessions for 10+ players alongside head coach
- Coordinated training logistics and thought of creative drills to make more engaging sessions for students

SEACLEAR @ UCLA | Intern & Staff Assistant | Los Angeles, CA **Feb 2026 - Jun 2026**

- Designed flyers & infographics using Canva to promote 5+ events, bringing in 200+ total attendees
- Designated photographer, producing images used in promotional posts on social media (raw photos in portfolio)
- Attended 4-hour weekly trainings; developed event planning, professional outreach, fund apps, and team management skills

FIRST Tech Challenge (FTC) Team 21980 | *Lead Data Analyst & CAD Designer* | Fountain Valley, CA **Sep 2019 - Jun 2025**

- Organized competition data, transforming 2,000+ raw numerical metrics into insightful visuals to complement team strategy
- Designed hundreds of 3D representations of mechanical subsystems through CAD, used CNC Laser Cutting and 3D Printing
- Managed ~\$10k budget and conducted outreach to hundreds of companies to support fundraising and sponsorship efforts
- Hosted 13 webinars through contacting industry professionals (NASA, Amazon, etc.), mentored 10+ elementary/middle school teams, and participated in STEM fairs with ~2,500 attendees per fair; total of 150+ hours of volunteer experience
- Worked closely alongside 11 teammates 20 hours/week; co-facilitating meetings and creating agendas/meeting transcripts
- Ranked 2nd in State Championships 2 years in a row, earning 20+ awards and an invitation to the most prestigious FTC competition (Maryland Tech Invitational)

FIRST Robotics Competition (FRC) Team 3476 & 9520 | *Data Analyst* | Irvine, CA **Oct 2022 - Jun 2025**

- Conducted minute-by-minute performance analysis of 1,200+ match recordings to see movement/scoring trends of opposition
- Tracked and evaluated thousands of numerical scoring data to identify high-value alliance partners for elimination rounds
- Advanced to the 2023 FRC World Championship Finals, competing among ~3,300 active teams worldwide that season

STEM on the Sideline | *Captain* | Inglewood, CA **Nov 2023 - Dec 2024**

- Led a 5-member engineering team through a 1-month period to develop a competition robot focused on functionality
- Executed 4 design iterations and used video analysis to optimize our robot's challenge completion speed and weight metrics
- Won \$5,000 to my high school's robotics program by ranking 1st place overall in the 2023-24 season amongst 20+ teams

Digital Market Trading & Market Analysis | *Independent Trader* | Remote **Nov 2020 - Present**

- Conducted quantitative analysis of pricing (RAP) and supply datasets across 2500+ digital assets to optimize ROI
- Accumulated 900% portfolio growth over 5 months and ranked top 2500 richest users out of ~2.3 billion registered users
- Owned assets worth a combined total of ~20 million Robux in today's economy (\$75k USD through official DevEx rates)

SKILLS

- **Design:** Canva (Intermediate; 5+ years) | Figma (Basic Proefficiency) | OnShape (Intermediate; 3+ years)
- **Data Analysis:** Google Sheets (Intermediate; 3+ years) | Excel (Basic Proefficiency) | Python & R (Basic Proficiency)
- **Photography:** Canon EOS Rebel T7 55 mm & 300 mm lenses | Adobe Lightroom (Basic Proefficiency)
